

# TourAuto and Gstaad – Here we come!

In another stunning development for **Suixtil**, the brand has entered into an agreement to sponsor a great team at these 2 important racing events: in a move that perfectly embodies the aspirations of the brand to join the past and the present, **Suixtil** will be fitting the Lancksweert team – father and son! – with its legendary racing uniforms. After having been worn by such greats as Fangio, Wolfgang Van Trips, Jean Behra, Paul Frere, Maurice Trintignant and many more, it represents another great stride in the revival of the brand and its restoration to its former glory! Racing on beautiful Ferrari 275 GTB from 1965 –pictured here- the team will also be sporting the **Suixtil** colors!

Hilde Debusscher of **Suixtil** commented “When we started discussions with Jeremy, it just seemed such a perfect alignment of interests – we could just not think of a better fit and wish the team the very best at both these important racing events”. We really hope that the Lancksweert team will make Escuderia **Suixtil** proud”.

Le Tour Auto will take place between April 21 and 25<sup>th</sup> this year and will cover over 2,000 km in five different stages over a scenic landscape in France, Belgium and Luxemburg. This year should see over 280 cars competing for the crown – all having raced between 1951 and 1973!

The Gstaad Classic rally, to be held between September 2<sup>nd</sup> and 5<sup>th</sup> this year, will offer 900 kilometers of grueling twists and turns through the Swiss Alps - for the bravest of drivers and cars dating before 1976 only!

We will of course be tracking the progress of the races on our website at [www.Suixtil.com](http://www.Suixtil.com), and invite everyone to come witness racing history in the making at their leisure. We are also delighted to respond to any inquiry about of the **Suixtil** brand directly at [info@Suixtil.com](mailto:info@Suixtil.com).
